If you have any questions please contact Sarah Burkeen: sarah.burkeen@everestpoint.org. Thank you!

Everest Point Christian Academy School Bio

Everest Point Christian Academy is a Christian hybrid-homeschool program serving K-12 students in the Denver-metro area. We partner with families to provide an educational environment that combines the freedom and individualized attention of homeschooling with the academic, social, and spiritual support of a school setting. Our model meets two days per week, allowing students to remain rooted in their homes and families while benefiting from a community of dedicated teachers, classmates, and enrichment opportunities. This hybrid-approach emphasizes that parents are the primary educators, and our role is to support and equip families as they raise the next generation.

Mission & Values

Everest Point exists to glorify God by equipping families to educate, disciple, and raise the next generation in truth. We partner with parents, who are the primary educators, to nurture each child's spiritual, academic, and moral growth through a Christ-centered community that cultivates wisdom, faith, and purpose for lifelong service to the Kingdom of God.

Why Sponsor Us?

By sponsoring Everest Point Christian Academy, you align with a unique educational model that upholds family choice, academic excellence, Christian values, and community. Your support directly impacts students who are being equipped not just for college or career but for a lifetime of purpose, character, and service. With our small-community atmosphere and mission-driven approach, your sponsorship will be visible in meaningful ways: supporting program resources, expanding enrichment offerings, and strengthening the partnership between school and home.

We invite you to help our students “scale their own peaks,” to achieve their highest potential academically, spiritually, and socially - in an environment that values freedom, family, and faith. Together, we can invest in the next generation of imaginative thinkers and compassionate individuals rooted in truth and service.
